## China—40th Anniversary Prayer Project

My dear Friend,

How we thank the Lord for blessing His Word and bringing A Visit with Mrs. G to its 40th anniversary of broadcasting! The programme began in September 1973 and it has continued every week without a break.

The Lord has supplied every need and expanded the ministry. Our latest expansion was into Internet.

Our next proposed expansion is into **Chinese**. This proposal has

come from Chinese Christians. We ask you to join them and us in prayer.

If this immense project is in God's plan, He will provide His **chosen Chinese servants** to translate the stories and voice them, and place them on Internet and radio in China.

The potential listening audience on radio and Internet is 1.2 billion. Can we take it in?

Bible Stories Alive, we are told, are urgently needed in China.

Our task now is to pray.

Thank you for your prayers and for your partnership in telling the children of China and of the rest of the world that God loves them.

God bless you!

With my love.

Yours sincerely,

*Kitty Anna Griffiths*

# New listeners in Uganda & Sudan

Now in its 40th year of broadcasting, *A Visit with Mrs. G* is still expanding to new stations in Africa. Since April, *Bible Stories Alive* have been broadcast on a new shortwave station in Uganda. The station asked listeners to send in their comments. Here are some.

My kids like your stories so much. They finish their homework early so that they can listen to your stories. They help them become responsible. Long live Mrs. G! —W. K.

Your stories really help our children to learn the Bible. —K. J.

## INTERNET

In the first 6 months of operation there were 5,500 mp3 downloads of Bible Stories Alive in audio, with 4,000 free downloads in developing countries.

We had visitors from **70 countries**. The top ten were

- Canada
- United States
- United Kingdom
- Ghana
- India
- Australia
- Trinidad and Tobago
- Philippines
- Mexico
- South Africa

This is just a beginning. Many did not know about BSA so they could not search for it. BSA will soon be hosted in audio on Apple iTunes store to give a larger exposure.

In the **developing countries** (the majority world), the stories can be downloaded **free of charge**. We are happy that in the first 6 months there have been 4,000 downloads. Pray for 4 million free downloads!

In **other countries**, the low cost of downloading BSA in MP3 format enables parents to purchase them for their children (see web site). We've had thank-you e-mails, like this.

“Thank you SO much for making these available as mp3 download. I have long been wanting to have my children listen to these stories but couldn't afford the cost of the CDs. I just wanted to tell you how much this means to me. I loved listening to these as a child, and I know my children will love them too.”

**Internet in other languages.** Our goal is to put Bible Stories Alive (audio) in other languages. Pray with us that millions of children, and adults, will come to trust and follow the Lord Jesus through the life-transforming Word of God.

## TRANSLATIONS

### Books

We have just reprinted four more titles in full-colour—all ready for translation.

**Amharic:** SIM Press in Addis Ababa, Ethiopia, have already printed and distributed some 60,000 books. They plan to print all 58 titles in Amharic.

**Russian:** Another BSA book is about to be mailed to the Ukraine for translation into Russian.

**Portuguese:** We have 12 titles waiting to be printed. To save transport cost, we need to print in Brazil.

**Spanish:** We need a “sent” translator and publisher.

**Arabic and Chinese:** We have received requests for BSA books in these languages.

**Nepali:** “If we could get the stories in our own local language then everybody could read and tell the stories. So we pray to God for our own language translation by your permission and help.”

## RADIO

Pray for the regular weekly radio broadcasts of BSA in

- **English**

### Our Mission Statement

Purpose: to spread the knowledge of the Holy Scriptures to **all peoples**.

### **Teaching unreached peoples in Nigeria**

I am a missionary evangelist who preaches the gospel to unreached peoples, where we have those who worship idols, who practice witchcraft, and who worship river spirits and other evil things.

Our mission field staff are now using the books to teach the children for their spiritual growth. The books have transformed the lives of our children.—*S. I.*

### **“Thank you for not watering down your teachings”**

I want to thank you for the work you are doing and the love you show. So many scriptural truths are being taught. Your teachings are in accord with the word of the God. Thank you for not watering down your teachings.—*M. Y. N., Kenya*

### **A new Christian in a Buddhist family in Malaysia**

I am a new Christian and all the members of my family are Buddhists. I would like to know more about the Bible. I shall be thankful to receive your Bible story books.—*J. O.*

### **A teen encouraged in Cambodia**

My name is Oung, and I'm 14 years old. I like to listen to this program [with Bible Stories Alive in Khmer]. It helps me to know many stories in the Bible and to understand the truth in God's word.

I'm so encouraged each time I hear the stories. Sometimes I feel discouraged, but God shows me

that in the Bible people got discouraged too. And you tell me that God always loves me and He never changes. Thank you so much for encouraging me with God's love.—*C., listener to Happy Children's Garden in Khmer in Cambodia*

### **“Really helping my family”**

The Bible stories are really helping my family. My children are living a good lifestyle—good in the sight of God. One son used to love stealing, but he has changed. Since we started to listen to your program our life has not been the same. Praise be to God! —*M., Liberia*

### **For a new generation**

My children enjoy the stories as much as I did as a child, and as I still do.

God's truth sinks in so well with your stories, and we are so grateful that you followed God's leading and created these stories.

I am sure you will meet multitudes in Heaven who were introduced to the true God through your ministry.—*M. W., USA*

### **Needy church members**

Kindly, I am requesting other books to share with my needy church members [through a church library].

I am recharged each time I receive your books. I enjoy reading with my family and friends. We feel the joy, and I want my church members to feel it too.

Keep on revealing the truths in the Holy Scriptures. Your books

are an inspiring presentation of the gospel of the kingdom of God, the gospel which Christ commissioned His church to preach to all the world.—*Kenya*

### **Stories with meaning in today's world**

I just want to let you know that I listen every Saturday morning to your excellent Transworld broadcasts on my shortwave radio 8:30 am. I find it a real pleasure—good stories with meaning in today's world. Every time the story speaks volumes from God's word in the Bible.—*B. D., UK*

### **In senior high schools**

I am the vice-president of Power Youth Foundation, a fast-growing network of youths engaged in evangelism, presenting Christ Jesus as the only Savior and the only answer for the world's crises today. We operate mainly in senior high schools.

God has been so good to us. The number of new members has increased rapidly, and we hope to do more witness for Christ.

We are writing to ask you for more of your books and tapes.—*A. J., Vice-President, Tema Secondary School, Ghana*
